Facility Services

Banquet prices include white linens, glassware, china and flatware for the Vicksburg Convention Center. A standard table set is a round set for 8-10 persons.

Requests for China Service for more than 1,200 guests will incur rental charges of \$5.00 per person.

Any events requiring food and/or beverage service offsite or outdoors will incur additional labor/ handling charges.

Guarantees

To ensure the success of your event, we must receive your "FINAL GUARANTEE" (Confirmed attendance) for each meal function FIVE BUSINESS DAYS PRIOR TO YOUR EVENT. This will ensure the proper ordering of your food and beverage for your event.

Catering quotes are given with a minimum of a 30-person event/ function.

IF the guarantee is not received as stated, the number specified on the VCC contract will be your guarantee. The guarantee is not subject to reduction after the 72- hour deadline. Food and Beverage functions that are contracted within 72 hours or increases in attendance given the final guarantee deadline will be subject to a 25% additional charge.

The Food and Beverage department will prepare food product for seated functions 5% over the final guarantee to a maximum of 30 people. Additional seating will only be placed if needed. Pre-set salads and desserts will only be provided for the guarantee; any overset to include the 5% will be charged accordingly.

Accuracy in the guaranteed number of guests is vital to the success of your event. The Food and Beverage Department will make every effort to service additional guests based on availability of product and labor; however, the Food and Beverage Department will not be responsible or liable for serving these additional guests. Requests to replenish food after an event has commenced will incur a 50% service charge.
